# Product Options & Enquiries

## Power supply

Transformer, battery, USB and solar options are available across the collection.

## Product specification

Confirm the item number, dimensions and indoor or outdoor application.

## Lighting configuration

Specify LED colour, quantity, lighting mode and any timer requirement.

## Order information

Please include order quantity, destination market and packaging requirements.

# U.S. Safety & Compliance

## UL / ETL Safety Listing

Applicable standards depend on the product type. Examples include UL 588 for seasonal decorative lighting and UL 153 for certain portable luminaires.

## FCC Requirements

Applicable LED lighting electronics and wireless functions require a product-specific compliance review.

## California Proposition 65

Chemical exposure assessment and warning requirements, where applicable.

Certification status and supporting reports should be confirmed for each selected model.
